About Arogya World

Arogya World is a global health non-profit organization working to prevent non-communicable diseases (NCDs)—diabetes, heart disease, cancer and chronic lung diseases—through health education and lifestyle change.

Mission: To change the course of chronic disease - through partnerships and innovative and digital technology, by implementing scalable, sustainable programs with measurable impact.

HEALTHY WORKPLACE PROGRAM

Healthy Workplace Program (HWP) is a scientifically designed, evidence-based and an efficient program with defined positive outcomes developed with the intent of advancing the workplace health movement in India. The effort is on-going to evaluate, engage and implement various programs to enhance the health and well-being of the workforce.
